Belvidere School serves the local community on the East side of Shrewsbury, County Town of Shropshire. We have a truly comprehensive intake, and almost all of our students walk to school. There are approximately 830 students on roll.

Belvidere School is situated in the historic town of Shrewsbury, in the beautiful county of Shropshire, a short distance from the Welsh border, but with excellent motorway and rail links to the West Midlands and beyond.

We recognise that we have a range of experience and expertise within the staff and therefore the sessions are delivered by a variety of different people, sharing good practice throughout the school. Networking also takes place across our Trust.

We are very proud of our school, and hope you will feel inspired to want to join our success story. We also have the exciting prospect of a completely new school building in the near future .

Art, Design and Technology

At Belvidere School we have had a long tradition of offering a range of Technology and Art subjects, having previously been a specialist Technology College.

We have a number of specialist spaces for Technology subjects, including a workshop and rooms for food, electronics and textiles. A number of these rooms also have computers. There is also a large Art room.

By Autumn 2024 we are due to move into a brand new school building which is currently under construction. We are very excited about the new specialist facilities and the opportunities that this will offer to us.

At KS3 we follow the National Curriculum, using a combination of in-house materials and those produced commercially.

At KS4, we offer GCSEs in Design and Technology and Food

Preparation, BTEC Constructions as well as Cambridge National Qualifications in Child Development and Health & Social Care. These are popular subjects and are open to all students as part of the options process. Art is offered at KS4, with students in recent years following either Fine Art or Textiles pathways at GCSE.
